added regulatory element can be used to control level and tissue specificity of expression not only in transgenic animals, but also in subjects or cells. Applicants therefore respectfully request that claim 14 be added to the claims of group II (claims 10-13).

If any additional fee is required for the filing of this response, applicants authorize the fee to be charged to Deposit Account No. 03-3125. Further, if any further extension is required for the filing of this response, applicants hereby request such extension and authorize the fee to be charged to Deposit Account No. 03-3125.

Respectfully submitted,  
COOPER & DUNHAM LLP
